

# Rooted Leader Update

## Week 2

### Review

- How did the introduction week go
- Be sure to be spending your daily time doing each lesson. Model well what we expect from everyone else.

### Resources

- Rooted facilitators Guide
- Names tags and pens
- Snack list
- Rooted Covenant
- notebook

### Reminders

- Continue to use **name tags** if your group is new
- Your leader guide suggested several **Icebreakers** – here are a few we have found to be the best. If your group knows one another it can still good to start with something that gets everyone sharing.
  - pits and peaks
  - 20 pennies
  - 2 truths and a lie
  - if you really knew me you would know that...
- **Faith stories** continue each week. Two should share their stories and pick two more for next week. Make sure you hold them to 2 minutes.
- **Prayer** time – Leave room for prayer. Decide ahead of time how you will wrap up in prayer. More time is obviously needed if you are going to pray in a group or broken into groups.
- Make sure parents leave on time to get kids if you meet on Sunday or Wednesday. Be sensitive to **end times** no matter when your group meets.
- Did everyone sign up for **snacks**?
- Make sure the **Covenant** has been signed by any who missed week one.
- Be sure to make a plan this week for your **Prayer Experience** – what day, time etc. The idea is to fast and then break the fast at the end of your prayer time. Your Facilitators Guide will explain this. We will provide guides for each group member next week. There are also resources on fasting available on line.

- More information will be coming regarding the **Serve Experience**, but you can be talking about available dates.
- Plan each week to **follow up with an email** to your group to encourage them in their daily time, journaling, prayer and memory verse.
- If you lead a new group – **pray for a leader** for the Life Group after Rooted. If you will not be leading this group after the Rooted session, you need to look for who in this group God will be raising up to lead them going forward.
