

FRIENDS CHURCH

Digital Designer Yorba Linda Campus Full-Time

The Sr. Digital Designer is a remarkable designer, coder, analytics nerd, and innovator. You're responsible for designing and building next-level digital experiences for web, mobile, email, and large digital display formats (like 60ft large).

ESSENTIAL FUNCTIONS

Some of your primary duties include:

- Concepting, wire framing, prototyping pitching new designs and digital user experiences
- Building effective and compelling interactive websites and mobile experiences leveraging WordPress themes, plugins, and frameworks
- Updating website content, creating new landing pages, adding video, audio and other media
- Creating assets and providing design support for social media, blogs, digital marketing and email campaigns
- Designing and creating email templates and campaigns in Mail Chimp
- Creating and presenting weekly analytics reports, adjusting strategies and tactics to provide the best ROI for all digital campaigns
- Train and support staff and volunteers who perform minor website content updates, create email campaigns, and manage social media channels
- Cooperate with the MarCom Director by performing any other duties when assigned or instructed
- And, hang with amazing people in our open loft studio, work on projects that can profoundly impact people's lives, drink a lot of coffee, talk with other design/film/music nerds, and be surrounded by passionate people creating things all day

Some of the secondary duties include:

- Participate in all-church Group Life series as requested
- Attend and participate in all staff Friends Church events, programs, and training.
- Cooperate with Supervision by performing appropriate related duties when assigned or instructed
